

## Division D Director

- **Name:** Tadao Hamasaki
- **Club:** Chiba Central TMC
- **Comments:** Division D consists of 27 clubs divided into 7 Area's. It covers a wide area, such as, Chiba, Ibaraki, a part of east Tokyo and even Sapporo in Hokkaido.

Each club has its own characteristics based on their group compositions and histories, and all of them are practicing hard to achieve their goals. The same holds true in the club members, who are working on the task as Toastmasters proactively.

Respecting their features, I'll try to increase the chances of mutual exercising to improve the club quality and to strengthen the advantages, based on the Toastmaster's principle.

Area Directors and club members,

Let's set the goal high and try to make progress together toward the higher stage. Be the progressive Division D!
